

North Elevation

Proposed North Elevation

Outline the edges of the extension in red or shade complete area.

West Elevation

Add an issue number to each sheet - it will be easy to identify the old version if you need to update it.

Proposed West Elevation

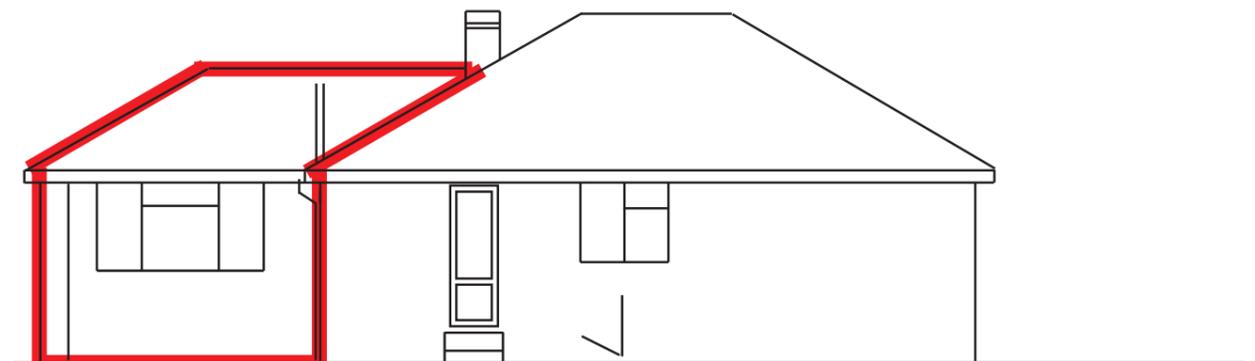

Add dimensions to appropriate views. Only use metric measures.

South Elevation

Include the scale (1cm = 1 metre)

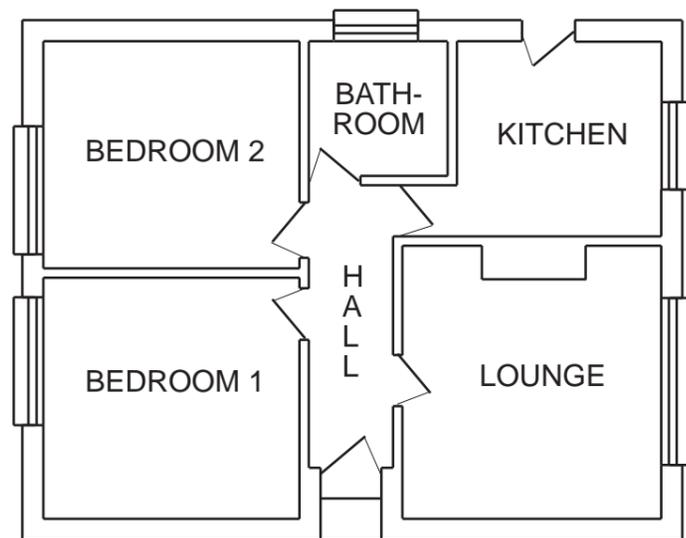

Always include the address on each sheet

Proposed South Elevation

Number the pages so none are overlooked

EXISTING
FLOOR PLAN

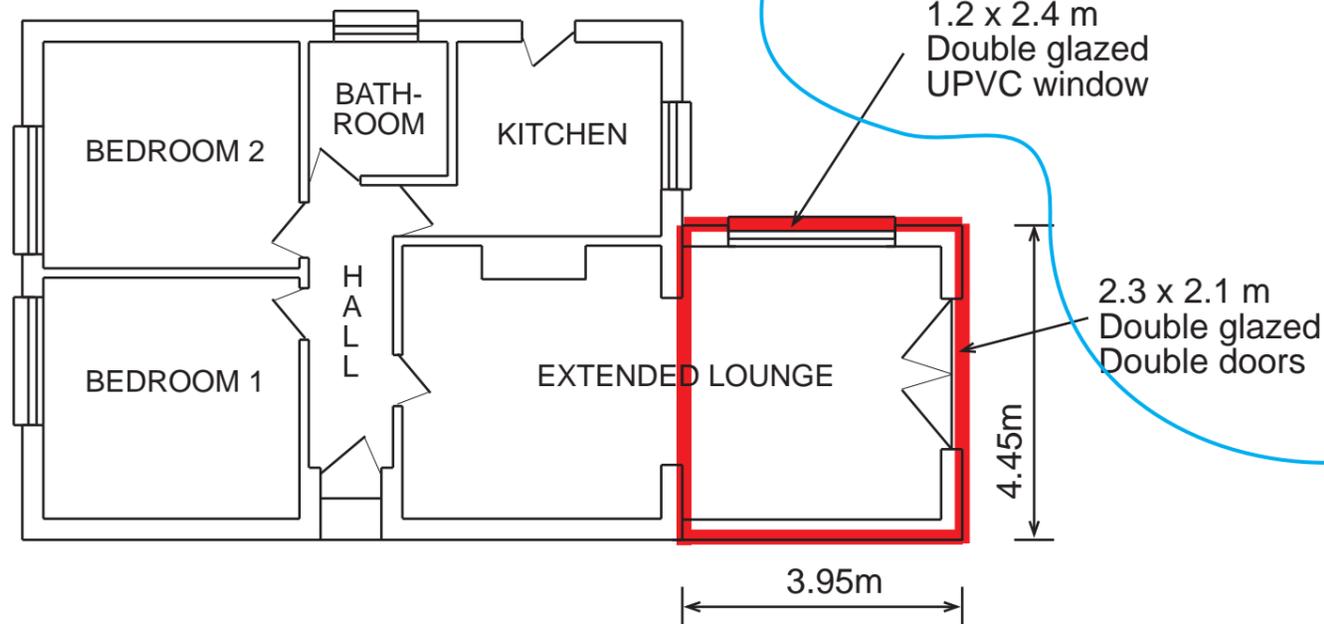

Materials for new extension:

Roof: Tiles to match existing
Elevations: Bricks to match existing
Window and doors: White, UPVC, double glazed

Show the basic description
of the materials to be used.

PROPOSED
FLOOR PLAN

Include dimensions and
type of doors and
windows.
